Hello everyone,

The magnificent ginkgo trees at Travellers Rest will soon turn golden as they do every fall. The Overton family would have seen those very same trees, and it's easy to imagine that they likely commented on the serene golden glow cast through the stairwell windows of the historic house. How fortunate they were and we Tennessee Dames are to call Travellers Rest ours.

Our Town Committees have had or will have meetings and events scheduled by the time you read this. Leadership at every level is committed to your participation and enjoyment of all that is planned for you. Our ancestry is our common bond. Our friendship is a priceless benefit.

Your State Board has already met and, as odd as it may seem, we have already discussed next year! Here's why - many State Board positions rotate in the even year of 2018, and our Nominating Committee will be filling several positions in order for us to present a slate for your vote at the Annual Meeting next May. I can hear you say "but we just had the May meeting!" Yes, and the next one will be here before we know it. If you would like to discuss open positions, please don't be shy! Let us know.

We covered a lot of ground during our State Board meeting and here's a subject that state Presidents are talking about all across the country – dues. No decisions, just chatter. Some societies have various dues categories while others have a one-fee-for-all approach, as we do in Tennessee. Several societies are talking about reducing dues for Young Dames, Senior Dames, etc. Would we attract more Young Dames and keep some of our Seniors from stepping down? You get the idea...a larger membership by offering a little consideration at both ends of the spectrum. This, and much more will be addressed in detail at the President's Meeting in late October at Dumbarton House. I'll bring back the national conversation.

Another subject is Technology & Communication. We are engaged in statewide communication through this Newsletter, through email with Constant Contact and through the NSCDA-TN website. We encourage you to be familiar with our website [www.nscdatn.org](http://www.nscdatn.org) Watch for a continuing effort and momentum to connect with you and to streamline and promote these platforms. A special thank you to those who have stepped up to facilitate all of these communication portals. The ability to share and link information is how we now live. It's a good thing, and we promise that no one will be left out of the loop.

The HAPS Fund continues to grow thanks to your enthusiastic support. You'll read more within these pages including how and where to send your contribution. You'll also read about the good and purposeful work going on in all four of our Town Committees and on all levels of the Tennessee society.

Participate. Volunteer. Contribute. We encourage each other to honor our ancestors and to keep their histories alive. It's all in the Objects of the Society.

Thank you,  
Anne Guerra, President  
NSCDA-TN

## **HAPS Fund Report 2017**

As you all know, we sent a letter with your dues statement, explaining about the new HAPS Fund (formerly the Projects Endowment Fund).

We explained that we were just \$15,000 shy of our goal of \$150,000. After reaching the goal, our investment earnings are earmarked to be used to fund special projects related to historical activities and patriotic service, in all of the four Town Committees.

As of today, we are excited to report that we have received an additional \$9195.00 for the fund. An enormous thank you and appreciation for your generosity and commitment to this vital Dames goal. We are headed in the right direction, still striving for another \$6000.00 to reach that important goal. We need to keep encouraging members to donate to this vital fund with generous contributions, memorials and honorariums. Wunderlich Securities is managing the fund , as they manage all other Dames monies.

This is all very positive, but we must not let up on our efforts to reach this goal.

Respectfully submitted,

Anne Keesee  
HAPS Fund Chairman

## **Treasurer's Report**

Audited financial statements for the fiscal year ended June 30<sup>th</sup> 2017, presented by the certified public accounting firm of Byrd, Proctor & Mills, P.C. may be obtained upon request from the Treasurer before the end of the calendar year.

Summary of Significant Accounting Policies: in 1954, the national Society of The Colonial Dames of America in the State of Tennessee (the Society) received as a gift the Historic Travellers Rest site. The deed to the property contains a provision that the property must be maintained exclusively as a historic shrine or title will revert to the owner. In 1988, the Society voted to establish a separate corporation named Travellers Rest Historic House Museum, Inc. The Museum leases the Travellers Rest site from the Society for one dollar a year for 99 years. The lease also requires that the property be maintained as a historic shire. Because the property is leased to Travellers Rest Historic House Museum, Inc. for 99 years at such a nominal rental and due to the possibility of reversion to the original donor, it is not reflected on the financial statements of the Society.

In 1964, the Society established a trust fund called The National Society of the Colonial Dames of America in Tennessee Foundation for Travellers Rest (the Foundation). Assets of the Foundation are restricted for maintenance, repair, upkeep and improvement of the Travellers Rest site. Although the Society's authorization is required for all expenditures from the Foundation, they have delegated this authority to the Museum. The accounts of the Foundation are not included in the financial statements of the Society, but are available for review from the Treasurer.

## **NSCDA –TN Historian’s Report 2016-2017**

The National Society of The Colonial Dames of America in the State of Tennessee sends warmest regards to all of the officers of our national and state societies.

This year we welcomed the leadership of our enthusiastic new president, Anne Guerra, Mrs. Anthony Robert Guerra. Under her guidance and with her dedication, energy, and hard work we have enjoyed a very busy and productive year.

This past September a Naturalization Ceremony was hosted at Travellers Rest. It was wonderful to have this take place at our historic property and especially exciting to welcome new Americans at Judge John Overton’s Home. Fifty new citizens and their guests received flag pins, enjoyed refreshments, and entertainment.

September 14<sup>th</sup>, the NSCDA –TN Board of Managers dinner was held with members of the Nashville Town Committee, followed by a meeting the next day. Also in September under the direction of Matte Campbell, The Oak Hill School was treated to a morning of inter-active performances as students shared role playing in skits comparing the life styles and manners of Colonial Americans with present day practices as part of the curriculum for “Why America is Free.” In October several Dames enjoyed the opportunity to attend the NSCDA Biennial in Arlington Virginia.

We are proud to announce that an intensive study of how to best manage and increase the Project Endowment Fund has now been completed. The study began in October 2015 and after diligent work and research by the committee, we are excited to announce that one hundred percent of the State Board Members have supported the move of the investment vehicle, and the name change from Projects Endowment Fund to Historical Activities and Patriotic Service Fund. The name change required a change in the By Laws that was voted on and approved by the Membership at the Annual Meeting in May 2017. The Annual Meeting on Thursday, May 4, provided an opportunity to celebrate the women who had the original vision, and took the first steps to create the Projects Endowment Fund.

The Annual NSCDA-TN dinner, held on May 3<sup>rd</sup>, began with cocktails on the lower gallery of Travellers Rest, followed by dinner in the barn. It was enjoyed by everyone in attendance. The Annual meeting on May 4<sup>th</sup> was also held at Travellers Rest. We heard reports from the officers, and committees. The new slate of officers was announced, and the town committee chairmen honored the memories of deceased members with the White Rose Ceremony. The meeting also celebrated the remarkable women who had the forethought to create the Projects Endowment Fund.

The President’s Report concluded with an informative and compelling presentation. President Anne Guerra asked the Board Members for information and personal tales about their qualifying ancestors for Colonial Dames membership. The stories she told were both touching and inspiring, and we were all left with renewed respect for our great

countrymen and the sacrifices they made for our freedom. The meeting was adjourned and followed by a picnic lunch served in the barn.

Our Tennessee Museum Properties Chairman, Ann Kelly reports that this year has seen a steady stream of school groups visiting, not only for Trade Days and Plantation Holidays, but also for individual programs. Including all of these programs and special events, approximately 12,500 students have had an opportunity to visit Travellers Rest this year. Travellers Rest also hosted a workshop for ALHFAM, an organization of re-enactors, and museum professionals involved in Living History programs. In January the Dames hosted a luncheon for the Travellers Rest staff to say “thank you.” There are plans to make this an annual tradition. In addition, much needed structural work has happened on site this year made possible with funds awarded in a one time grant by the Tennessee Historic Commission.

The Lady of Dumbarton House, Susan Brackney, reports that Dumbarton is back “home” after being out of the house for six months. Because of updates being done, over 4000 objects had been removed from the house. They are now back in place with an official opening June 1<sup>st</sup> and exciting plans for the future.

Penn Grove, our Tennessee Regent of Gunston Hall, reports that many events besides daily activities have been popular this year including Annual Kite Flying Day, Archeology Day, Christmastide at Gunston Hall, Cocktails by Candlelight, Revolutionary War Day, and Declaration Day. A decorative art symposium and an archeological symposium were also held on site.

Betty Barton Blythe reports that Friends of Sulgrave Manor are planning a trip to Sulgrave, England in 2018. The Tennessee Dames made a generous contribution to help cover costs associated with water damage and beetle issues. This also includes work being completed to provide climate-controlled space to store archives.

These three historic properties are important parts of our nation’s history, and the work to keep them preserved requires constant attention. The generous donations and support from the Tennessee Dames is invaluable in this important endeavor.

The Dames Town Committees have all been very productive and active this year in support of educational and historical activities.

The Chattanooga Dames have had an exciting year hosting their first meeting in September at the historical McCoy House. In October the Dames attended an Eagle Scout Project Presentation at the Houston Museum of Decorative Arts. In November they toured the Medal of Honor Museum. The Winter Cocktail Buffet was held at Walden Club in February, where guests enjoyed the panoramic views while catching up with friends. The Dames volunteered at the Houston Museum Antiques Show, also held in February. The March meeting included a tour of the International Towing and Recovery Museum, celebrating the 100<sup>th</sup> anniversary of the tow truck, which was first built in

Chattanooga. The May meeting was held at the Reflection Riding Arboretum and Nature Center, where Dames were treated to electric tram tours.

The Knoxville Town Committee enjoyed four lunch programs this year all with interesting speakers. The first speaker presented little known facts about Captain John Smith. Following that, the next program topic was The Sequoyah Birthplace Museum in Vonore, Tennessee. In March the Dames learned about marble mined in East Tennessee. They ended the year with a program entitled, "Free Speech in Wartime." Their next naturalization program will take place this fall in the Smoky Mountains.

The Memphis Town Committee reports a fall outing to Ames Plantation in Grand Junction Tennessee where they toured the museum famed for hosting the National Bird Dog Contest. The Christmas party was held in a private home and was a resounding success, literally – with a piano player who engaged everyone in singing Christmas carols. The final meeting was the Annual Spring Luncheon.

The Nashville Town Committee held it's 4<sup>th</sup> Annual Mayflower Luncheon on November 16<sup>th</sup> to welcome new Dames. The Christmas Party was a success with Dames transforming the Centennial Club dining room into a magical Christmas wonderland. The Spring Membership Meeting was held March 30<sup>th</sup> and the speaker gave a compelling presentation entitled "Tennessee Women and the Men They Loved."

William Boyd, from Knoxville, is the NSCDA-TN Congressional Essay Contest Winner. Our American History Scholarship Recipients are Judith Cathey, from The University of Tennessee at Chattanooga, and Catherine Casselman, from The University of the South, Sewanee. Congratulations to all of these worthy students. Thank you for helping to keep our legacy alive.

The members of the Tennessee Society of Colonial Dames continue to carry out the mission of actively promoting our national heritage through historic preservation, patriotic service, and educational projects. We enjoy our work and time together as a part of the National Society of Colonial Dames of America.
